Mr William Casey, Director
Central Intelligence Agency
Washington, DC 20505

Dear Mr Casey:

Please allow me to introduce myself. I am Bob Turnbull, and the enclosed information will explain who I am and what I do.

The main emphasis at this point in my life is doing my nighttime radiocast on KYMS (see enclosed), plus doing seminars throughout the USA geared to marriages and to families (again, please see the enclosed).

However, another emphasis is my continued restlessness in behalf of wanting to serve my country in a deeper manner than I am presently doing. I will readily confess to being what is known as a "flag waver." I have a great love, respect and appreciation for America. I sense it is weakening from within and certainly being attacked from without via hostile foreign governments and some of their agencies.

I want to help. Frankly, I am not sure where I can be best utilized, but nonetheless I am available. I feel confident that a person of my calibre and background can possibly be used with your department. You would certainly know best.

The enclosed items are not sent to impress you, Mr Casey, but merely to acquaint. Please go over the items and take it from there. I would be honored to have further contact with you or a representative from the CIA.

Again, I simply want to volunteer myself as a citizen of the USA to assist my country, hence this letter to you. Thank you.

Respectfully,

Bob Turnbull
